

## **Council Meeting Summary for January 18, 2010**

Up first was Proclamations & Presentations

Congratulations to Eagle Scout D.C. Wheaton.

Proclamations were also presented to two former council members Matthew Ahearn and Mark Moffitt. Mark Moffitt was the councilperson to introduce the 2 minutes before council meetings so that residents have the opportunity to speak before agenda items are voted on.

St. Joan of Arc is to have their 41st Annual Spring Festival on May 21 – 23, 2010.

Shore Crest Lanes & Lounge on 9 Mile Harper removed their liquor license from the establishment to move ahead with future development.

There was a motion not to replace residential water meters unless they are broken, not working correctly, or if the resident first contacts the City and requests a new meter replacement, but to proceed with the last 1/3 of well meters replacements.

Council unanimously approved all business related agenda items.

The majority of the meeting was spent on the adoption of Ordinance Amendment to Chapter 30.012 Accumulation of snow, ice, rubbish, etc. Finally, after one year we have an ordinance to set the guidelines establishing height, time frame, and outcome to make sure our walkways are clear for pedestrian traffic.

Budget meeting dates are to be assigned next council meeting on February 1, 2010 for upcoming May-June budget meetings.
