

Summary of February 1, 2010 City Council Meeting

Proclamations started the night off; congratulations to all the businesses were involved and the ones who won the Light the Avenue Holiday Lights Contest Awards.

Do not forget on May 30, 2010 the 4th Annual Sailing Through the Shores 5k Walk/Run along the Memorial Parade route.

Thanks to the lessees, the Dockside Café lease was renewed for another year.

To all the property owners of St. Clair Shores, the city has put in place a write-in appeals process for the Board of Reviews to appeal your property taxes. It was recommended that either registered mail or the drop off box in front of city hall were the 2 best avenues along with faxing to have some kind of receipt for our property owners.

Ambulance fees were increased to the maximum rate of Blue Cross and Blue Shields allowed.

St. Clair Shores will now have an official Facebook page for those who have the internet.
