

## **Council Meeting summary for March 15, 2010**

Congratulations to Harper Chiropractic for their 25<sup>th</sup> Anniversary in St. Clair Shores.

Riders for the Cause a non-profit organization was approved to obtain a charitable gaming license.

The council unanimously approved to study Mutual Aid Agreements for police and fire.

The new Dockside Jack's Grill and Tiki Bar was approved for a new sign in front of their establishment. The restaurant will be opening soon.

During the council meeting under council follow-ups Councilwoman Beverly McFayden and Councilman Ron Frederick for the second council meeting in a row has publically complained about one St. Clair Shores resident a piece and requested to have our community development department handle their individual complaint. The city needs to work with residents to solve problems or issues with blight, especially in this economy.

The EPA is starting to clean-up PCB's on the effective area; still waiting word on if we are approved for a Superfund.

Council has unanimously approved a contingent contract with our new city manager. With approval of terms and conditions we will see an introduction by March 22, 2010.

Stay Tuned!
